

# THE WORDS CHALLENGE GAME

**F.** The objective of the game is to score points by uniquely naming objects within a set of categories, given a designated letter.

Your teacher tells you the categories, and then selects a letter and starts the timer. The first round starts! You have 3 minutes to write one word for each of the five categories.

All answers must start with the letter that your teacher has selected. For example, if one of the categories is BUILDINGS and the selected letter is I, then you can write IGLOO.

The same word cannot be used multiple times in the same round. For example, if category 1 is GIRLS' NAMES and category 2 is FLOWERS, you cannot write VIOLET for both categories.

You score ten points for every word you put on your list that no one else puts on theirs. At the end of the game, the winner is whoever has the most points.

Now you are ready to play!
